Bear Aware

Bear season is here and we need all residents to be aware of what you might have around your yard that can potentially attract the bears into the District.

Please **DO NOT** store your garbage outside, this is the leading cause for bears to wander into neighborhoods.

Pet food, bird seed, ripe fruit, smokers and BBQ's as well as petroleum products, small live stock and composts will also attract bears. Please manage these items properly by keeping them indoors or make sure they are clean from odors.

If you see a bear give it room, do not make eye contact, bare your teeth or run. Make yourself big, create noise, back away and most importantly give it an exit route. A cornered bear is a dangerous bear.

Please report your sightings to:

Terrace Conservation Office at **1-877-952-7277** or **1-250-638-6530** and the District of Port Edward **250-628-3667**
