North Coast Minor Baseball Association (NCMBA)

It's NCMBA second season, they are expanding their program offering to boys and girls from the ages of 4 to 11, beginning with a training game known as "Blastball" for the youngest ages, and graduating to "T-Ball" and onto Baseball with pitching and catching. The focus on younger age groups will allow them to establish the league in a manageable way, and provide them the ability to develop foundational baseball-specific skills in a suitable age level. Looking into the future, NCMBA intends to grow with its age groups, adding older age divisions as the players mature. Feel free to register online at northcoastball.siplay.com/site but don't hesitate to email them if you want to ask them questions or just to let them know you're interested!! For more information just email them at **NorthCoastBall@gmail.com**.

Ages 4-5 (Pre-K & K, Birthyear 2012 - 2011): Fees \$50

Will be playing a baseball orientation game known as "Blastball", that focuses on participation and introductory baseball skills.

Ages 6-7 (Grade 1 & 2, Birthyear 2010 - 2009): Fees \$100

Will be playing "TeeBall", which is an initiation program to full baseball.

Ages 8-9ish (Grade 3 to 6, Birthyear 2008 - 2005): Fees \$100

Will be playing full baseball, but will primarily be playing with machine pitching with a graduation to player pitch. Depending on numbers, we may split this into two divisions to better separate age groups and skill levels.

All practices and games will be held at the Port Edward Mckeown Field.
